According to the main Principal Buyer,
they made us to unders very
well that it cannot POSSIBLE for them
to establish or enjoy this good
business relationship with your
company, untill your company get them
fully clarified for the below points to
as this will help the both
parties to avoid future
misunderstanding:

1. Your ability to supply a total 36x40
feet containers for a period
of 12 Months Interval, under a partial
delivering basis.

2. Confirm whether the supplier have
been Exporting any their above
listed products to our Country Togo
before now or to any African
Country for the first time or not.

3. Buyer Payment will be 50%TT in
advance to start production and

Loading of goods, while 50%TT shall be made before shipment from your Seaport Or Based on your proper negotiation with the Principal Buyer,they can as well work with you on 100%TT in full against production, loading and Shipping of goods.

4. Your product physical samples is very important, as mostly requested by the principal buyer here, for final Laboratory Testing Formalities here in our Country Health Authority,as it is normally done in European Union, United States Foods & Drugs, Asia,South & North America, Middle East and all over the World, for the Quality Approval and Consumption acceptance of same towards Human Consumption, to avoid any Hazardous effect on human Health.

Once again, we thank you for your co-operation, as we look forward to holding a good business relationship with you, based on your seriousness to follow the due

procedures of our Country's Trade Rules
/ Regulations so that can be enjoy
making direct supply to the main
principal buyer, because we are the
sourcing agent that source all
Foods & Beverage product to the
principal Buyer.

Your quick reply which we hope will be
favourable, will enable us
return feedback to the principal buyer,
so that we shall finalized
meeting with them and provide you their
full contact details with
their Official Order Confirmation.
